

# MILTON LACROSSE

**GIRLS STATE CHAMPIONS - 2005, 2006, 2007, 2008**

Dear Friends and Family,

I am a member of the Milton Girls Lacrosse program and a student at Milton High School. Part of my responsibility as a player, is to raise funds to support the programs future. Both our coaches and players seek to expand and advance the level of lacrosse in the area, within the State of Georgia, and help young women develop as individuals and leaders. Additionally, the program provides scholarship opportunities, camps and skills development, and ultimately provides a positive, enthusiastic environment for girls and young women in the community. This year, I have been asked to raise **\$250** in order to help maintain our current program needs and support the plans for our future growth. **I am seeking your support in helping me meet this goal!**
